EXPERIENCES

- In 1999, I graduated from the high school A. Serpieri of Rimini.
- In 2005 I graduated in psychology at the University of Bologna "clinical address" at the Department of Bologna.
- Six months of internship at the psychiatric community of Poggio Berni "E.Stein." (<http://www.edithstein.it>)
- Six months of internship at the office "informs young people" (<http://www.comunecervia.it/informagiovani/>) of the town of Cervia.
- After I have passed the abilitation state exam, I have been a registered like professional psychologist in the region Emilia Romagna in 2006.
- I did four years of personal training analysis.
- Since 2008, I have projected and organized self-help groups for people with dysthymic disorder (Project currently in progress).
- 2008, Course of specialization in eating disorders accredited ECM (<http://www.salute.gov.it/ecm/paginaInternaEcm.jsp?id=6&menu=accreditamento>)
- Since 2008 I started to see patients privately.
- In 2009, I developed a group of "supervision" between colleagues from different epistemological extraction for the confrontation of clinical cases (Project currently in progress).
- From September 2010 I took on the territory of Forlì the project: "A psychological point of listening to the pharmacy" in collaboration with the institute "Erich Fromm" and "Forlifarma" which has as the purpose on early detection of mental health problems on the population. (Project currently in progress).
- In 2010 I finished the training for specialisation at the Institute of Bologna "Erich Fromm" (<http://www.istitutoerichfromm.it>) and I qualified as a psychoanalyst. (PhD).
- During the period of study at the institute "E. Fromm" (2007-2011) I did internship specialization at the association of Forlì G.M. Balzarini (<http://www.associazionebalzarini.com>) chaired by Dr. Gianni Tadolini (2 years), then at the ASL in Rimini at the department of neuropsychiatry (<http://www.ausl.rn.it/doceboCms/page/1086/neuropsichiatria-infanzia-adolescenza.html>) under the coordination of Dr. M.Russo (2 years).
- 2012 & 2013 I've attended two mont of the elective training program for international student at William Alanson White institute NYC.
- 2015 One year Master graduation "eating disorder and compulsion" at the William Alanson White Institute NYC.

- IFPS delegate member.
- Practicing as analyst in the cities of Bologna and Forlì.
